

MARNE N

Marne N 80 cm white

Marne N 60 cm wenge oak

Marne

A must for functionality

Marne vanity with a minimal and versatile design it is presented in 4 finishes and three different sizes, double bowl basin version included. Every single detail reveals a design in service to the functionality of contract bathrooms, with removable drawers for easy access and small aluminum handle which make it much easier to clean it up and allow us to do the maintenance works. Without forget its interior, with a leather effect coating for a smooth touch.

Marne N 120 cm anthracite

Easy to assemble and disassemble drawer.

New aluminum handle designed with comfort and practicality in mind.

Leather effect interior surface, which gives it a warmer and more comfortable look.

New Mineral Stone countertop for combining with vessel sinks which gives us a greater versatility of designs.

- White
- Anthracite
- Ash cherry
- Wenge oak

New washbasins with a structure that improves its planimetry and with integrated overflow.

The new white or anthracite lacquer has given the furniture a renewed and sophisticated appearance, enhancing the details and providing an elegant shine in addition to two laminate options with different designs.
